

LEAN CONSTRUCTION IRELAND CORPORATE MEMBERSHIP

Dear Colleague

Lean Construction Ireland (LCi) was established in early 2014 to advance the adoption of Lean Thinking & Practices within the Irish construction sector and Table 1 below highlights the LCi's core value-adding services.

Table 1. Lean Construction Ireland Value-Adding Services

Services	Value-Add
LCi Website	The portal and repository for general information on Lean Construction, advice and direction on how to get going on Lean, details on various LCi and related Lean events and webinars, directory of LCi commended service providers, LCi commended capabilities in Lean Construction, etc.
LCi Annual Conference	A world-leading international conference on Lean in Construction with presentations and discussions from national and international thought leaders, subject matter experts, and industry practitioners.
LCi Annual Book of Cases	A world-leading book of case studies from across the Irish construction value-chain detailing examples of Lean being applied on capital projects as well as internally within organisations themselves.
Webinars	Live webinars on relevant and cutting-edge Lean construction themes and topics delivered by recognised subject matter experts and experienced practitioners.
Events	Information and knowledge exchange community and regional events run throughout the country in collaboration with Regional Lean Networks and other State, academic, representative, and industry stakeholders.
Advocacy Forum	A stakeholder-representative national think-tank and forum advocating for the adoption of Lean thinking and practices throughout the end-to-end value chain of the Irish construction sector.

Since inception, LCi has made significant progress in promoting Lean within the Irish construction sector through the commitment of our volunteer members, and ad-hoc funding and other supports provided by leading Irish construction companies and industry stakeholders.

Table 2 below provides an overview of how Lean Construction Ireland compares to other Lean Construction Institute communities of practice elsewhere in the world.

Invitation to Become a Corporate Member of Lean Construction Ireland

The Irish construction sector is looking for Lean Construction Ireland to extend and advance its reach and offerings in terms of the understanding of Lean and how this can be adopted by all stakeholders in the value chain.

In response to this request and to make the step-change in our evolution and development, the LCI made the strategic decision to become a legal entity and in March 2018 we became an incorporated not-for-profit organisation. We have put in place a Board of Directors whose members are representatives from across the Irish construction sector who are committed to supporting the sectoral understanding of Lean, and demonstrating the benefits of adopting Lean thinking and practices.

In this regard, the Board of the LCI invites your organisation to become a Corporate Member of Lean Construction Ireland and a key supporter of the LCI's mission and vision to transform the Irish construction sector through the adoption of Lean thinking and practices.

LCi Corporate Membership Fees

Annual membership of the LCI is offered at three levels relative to the size of member companies and is immediately available and runs from the time of your registration for a period of 12 months. Our media & communications partner (BoxMedia) can provide you with further information on any and all aspects and benefits of Lean Construction Ireland Corporate membership.

Table 3 below summarises the membership levels and associated fees.

Table 3. Membership Levels

	Membership	Company Size	Rate
	Gold Member	Large	€2,000
	Silver Member	Medium	€1,000
	Bronze Member	Small	€500

Benefits of Corporate Membership

- i. National and international recognition as a member of LCI and supporter of Lean in Construction.
- ii. Publication of the company's logo on the LCI website, confirming the company as a corporate member and official supporter of the LCI.
- iii. 10 copies of the *LCi Annual Book of Cases* published in the year of your membership period.
- iv. You will have the opportunity to utilise our media & communications partner (BoxMedia) to distribute and share your Lean achievement stories, press releases and announcements through media channels.
- v. You will receive a framed Membership Certificate (with your membership number) for display in your reception/common areas – you will also have the use of the LCI logo (while a member) for use on your website and/or company literature.
- vi. One free delegate ticket to the LCI Annual Conference during your membership period (Gold & Silver).
- vii. 25% discount on all *LCi Annual Conference* tickets for corporate member delegates – during your membership period.
- viii. The opportunity to have the *LCi Evaluation Panel* assess and commend your company's Lean approach and/or internal Lean training courses.
- ix. The ability to propose or nominate individuals for election to the LCI Board at the Annual General Meeting (AGM) and the ability to vote at General Meetings.
