ORGANISATION	innDex
DATE	28th March 2024

Going Digital

CHANGE DOESN'T HAVE TO BE COMPLICATED

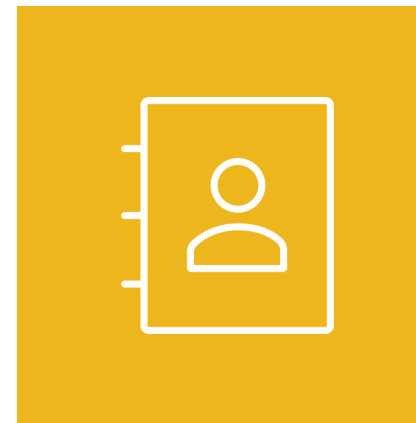

George Smithies
Co-Founder @ innDex

THE DIGITAL SHIFT

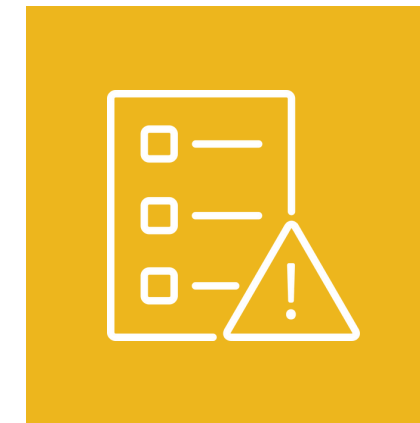

About innDex

The innDex platform connects the workforce whilst **increasing productivity** and **improving vital communication channels**.

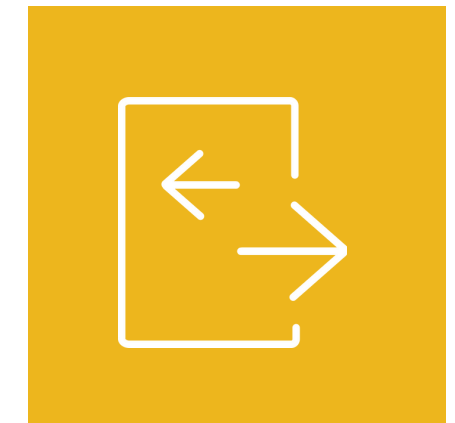

Real-time and **remote** capabilities are proving a need right now as changing working environments have had a huge effect on our day-to-day lives.

DIGITAL INDUCTIONS

The Solution

a better-connected workforce = a more efficient + productive workforce

OVERCOMING BARRIERS & ENHANCING SAFETY

The Benefits

NO MORE DATA SILOS

Access all your project data, in one centralised location in real-time.

NO MORE TRIPS TO SITE

Access to the App or Web Portal from anywhere at any time: **5 hours** saved on travel every week.

GET MORE DONE, FASTER

Real-time communication results in a **weekly 23% increase** in the number of productive hours.

LEANER, SMALLER TEAMS

Initial yearly saving of **£96,122** (based on the average Site Manager salary for 2 in the UK)
